Dear Potential Sponsor,

I hope this letter finds you well. My name is Destiny Dela Cruz and I am reaching out on behalf of North Mason Pee Wee, a local non-profit youth sports program dedicated to developing not just athletes, but confident, responsible, and team-oriented young people in our community.

We are currently preparing for our upcoming football and basketball seasons, and we're seeking generous community partners to help support our mission. Many of our athletes come from families with limited financial resources, and we strive to ensure that every child has the opportunity to play—regardless of their ability to pay.

We are constantly working to improve the quality and safety of the equipment we provide, as well as to ease the financial burden on families. From upgrading helmets and protective gear to ensuring every player has a clean, well-fitting uniform, our goal is to give every child the tools they need to succeed—on and off the field and court—without added financial pressure on their households.

We are reaching out to request your support through a donation or sponsorship in amounts from \$500-\$5,000 to help cover essential equipment costs. These include:

- Helmets and safety gear for our football teams
- Uniforms for both football and basketball players
- Practice and game balls, training supplies, and club events
- Scholarships for players in financial need

Your support will have a direct impact on our program's ability to provide a safe, positive, and enriching sports experience for every participant. In appreciation of your generosity, we would be happy to recognize your support through:

- Acknowledgment on our social media and website
- Recognition at games and community events

Thank you for considering our request. If you have any questions or would like more information, please feel free to contact me directly at **360-509-9466** or **Northmasonfd@gmail.com**.

Sincerely,
Destiny Dela Cruz
